MEMORANDUM FOR: Chief, Support Staff, ORD

SUBJECT: Reclassification of [REDACTED] to 25X1A9a  
Administrative Assistant, GS-08

25X1A9a

1. This memorandum is written to request a change in the classification status of [REDACTED] (from GS-07, secretary-steno, to GS-08, administrative assistant). This request is based on the fact that [REDACTED] has for the past 25X1A9a year been performing administrative and support duties during the major portion of her working schedule. These administrative duties have been carried out in a very commendable manner and the level of responsibility of these new duties has been far beyond that of her former secretarial duties.

3. It should also be noted that [REDACTED] has recently completed a number of training courses which add to her background, working knowledge, and capability to contribute to the functioning of AP/ORD. The OTR courses completed are:

4. Due to a shortage of personnel in AP/ORD, approximately one year ago I found it necessary to call upon [REDACTED]

25X1A9a

[REDACTED] to carry out duties that were beyond her normal secretarial functions. I have found that in the course of this time that she has not only performed these duties willingly but has completed all of the tasks in an exemplary manner. She is continuing to function in these administrative and support areas and because of this, it is requested that early and serious consideration be given to a review of her position with a goal of upgrading it to the professional status commensurate with her duties.
